PROFESSIONAL SUMMARY

As a computer science student, I am passionate about leveraging technology to solve complex problems and improve the world around us.

My goal is to use my technical skills to make a positive impact in the tech industry, whether through developing innovative software solutions, contributing to open-source projects, or working on cutting-edge research. I am excited to connect with other professionals in the field and explore opportunities to further develop my skills and make a meaningful contribution to the industry.

TECHNICAL COMPETENCIES

C | C++ | JAVA | PYTHON | SQL | Machine Learning | Data Science | Linux

INTERPERSONAL SKILLS
